Off-Island Organizations in Need of Volunteers

Below is an updated list (as of August 28, 2010) of off-island organizations in need of volunteers based on residents' feedback and my research on local organizations' current websites.

If you are an active volunteer of an off-island organization in need of volunteers that does not appear on this list, please alert me, and I'll update the list for our residents' information.

Gratefully, Kathleen Jordan, 987-0408, kcjordan0408@charter.net
